Parental Portal: The Climax Springs R-IV School utilizes the SISK 12 Student Data Management Program. As part of this program, parents may access their student(s) attendance, lunch bills, discipline and grades via the Internet over a secure System. If one wishes to participate in the parental portal program, please provide an email address. Once this information is provided, SIS will make contact sending both a username and password.
TECHNOLOGY EQUIPMENT AGREEMENT

I understand the technology equipment is the property of the Climax Springs R-IV School District and is being provided to me based upon the following conditions:

- I will handle the technology equipment carefully and protect it from potential sources of damage.
- I will not load any software on the technology equipment; all software will be loaded by school personnel.
- I will not alter the hard drive, graphics, or other components including identifying markings and tags.
- I will report theft or suspected theft of the technology equipment, loss of the equipment, damage to the equipment or any malfunctioning of the equipment to school personnel immediately.
- I may be responsible for any damage caused by my negligence, including theft and I may be responsible for all costs associated with its repair/replacement.
- I agree to abide by all local, state, and federal regulations and policies that govern the use of hardware and software laws including copyright and intellectual property law pertaining to software and information.

TECHNOLOGY USAGE AGREEMENT

Electronic communications, downloaded material and all data stored on the district’s technology resources, including files deleted from a user’s account, may be intercepted, accessed, monitored or searched by district administrators or their designees at any time in the regular course of business. Such access may include, but is not limited to, verifying that users are complying with district policies and rules and investigating potential misconduct. Any such search, access or interception shall comply with all applicable laws. Users are required to return District technology resources to the district upon demand.
